

HQC Memorial Education Scholarship Fund Application

The mission of Henrietta Quilt Club is to strive for growth in quilting, promote learning and participation in community service.

The HQC Memorial Education Scholarship Fund was established to off-set the cost of registration fees to attend non-club classes/workshops and share information learned. Members who have been active in Henrietta Quilt Club for at least one year are eligible to apply. Refer to the HQC Memorial Education Scholarship Fund write-up for additional details.

Scholarship applicants are required to complete and submit this scholarship application form for review and consideration by the Board of Directors. If selected, recipients are asked to share information on techniques learned in the class/workshop during a HQC club meeting or Sit & Sew or conduct a class during a Sit & Sew. **Note:** No patterns or handouts with copyright restrictions are to be copied and distributed to club members unless written permission has been granted by the author.
